EXPERIENCE

❖ **Design Careers Club at UC Davis - Co-Director**
August 2017 - Present
Attended weekly meetings and worked with other members of the exhibits team to create various exhibits to be shown at different DCC events throughout the school year. Worked with a team of proactive individuals to achieve and complete exhibits that were showed at the Design Career Club's annual events.

❖ **UC Davis Student Housing - Orientation Leader**
March 2017 - September 22, 2017
Academically advised 50+ transfer and first-year Design major students & about 95+ students in total over the span of my role as an orientation leader that summer. Attended workshop about Diversity and Leadership training for this position. Represented UC Davis in a professional manner by interacting with every student and family member participant.

❖ **Internship under Glenda Drew, Professor of Design at UC Davis**
March 2017 - June 2017
Assigned sewing/design projects under Professor Drew. Pieces that were created and completed were put on display in various exhibits in the Sacramento area.

❖ **UC Davis Solar Decathalon 2016-17: Social Media Manager**
September 2016 - December 2017
Responsibilities included taking pictures and videos of the ourh2ouse design process, and posting them to followers on Twitter, Facebook, and Instagram. Practiced effective communication skills and worked in a large team to produce a singular result.
